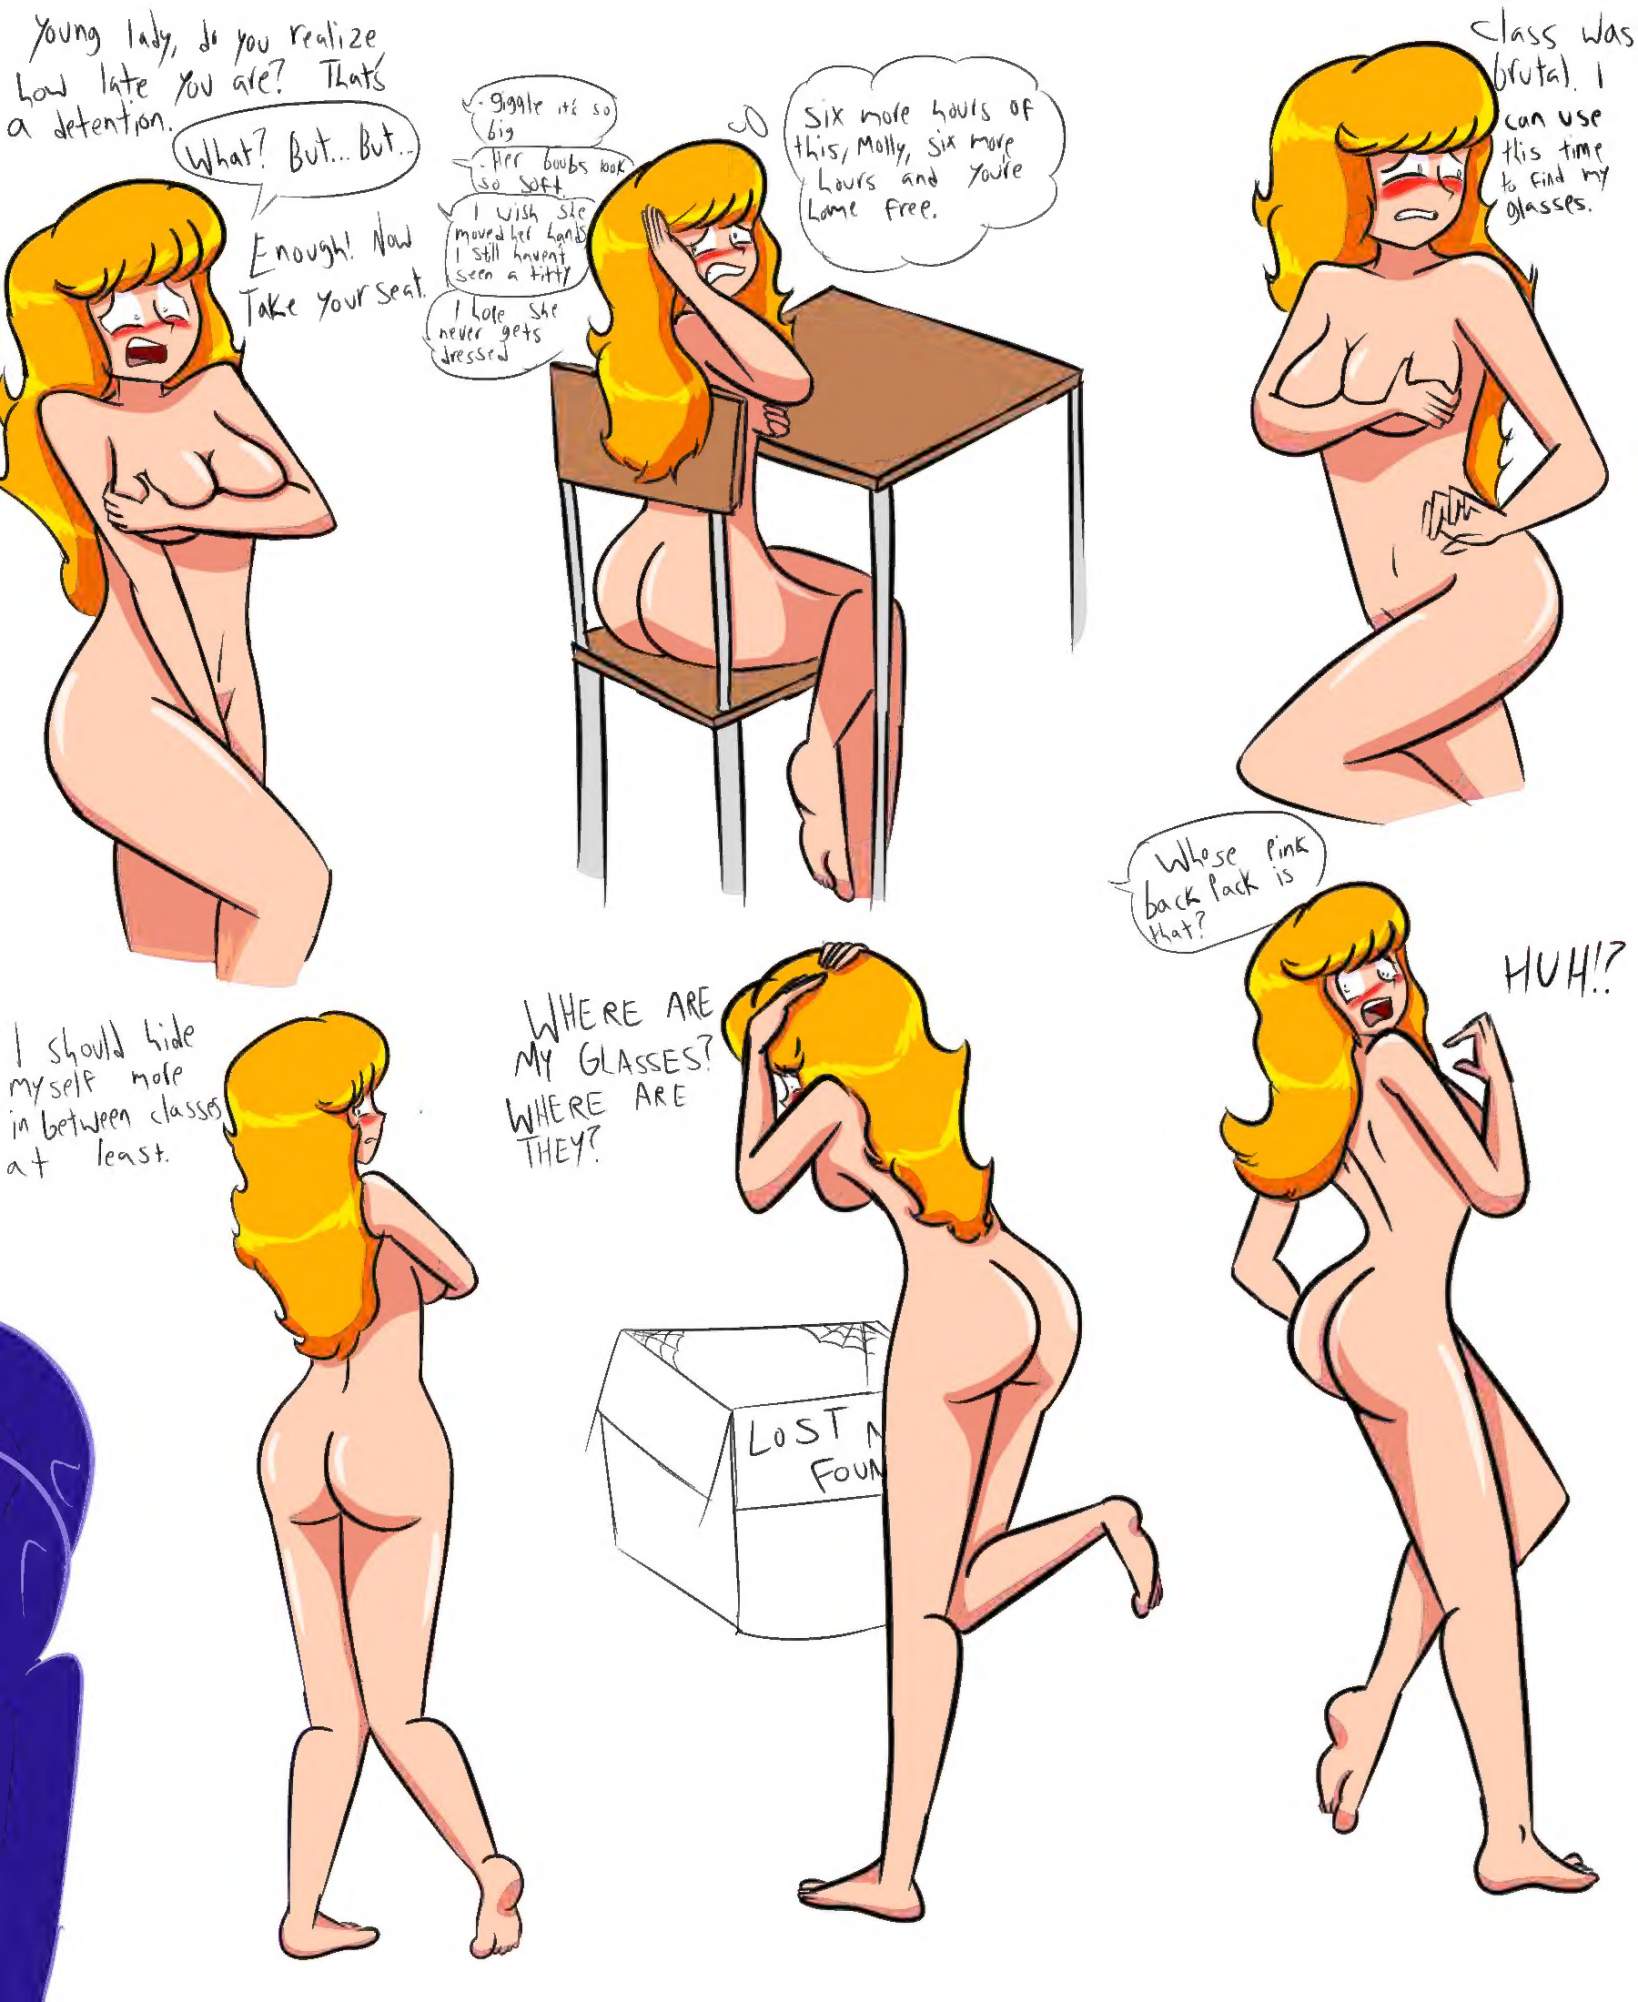
Mom, dont... leave... Me
Bye, honey, see you after school.

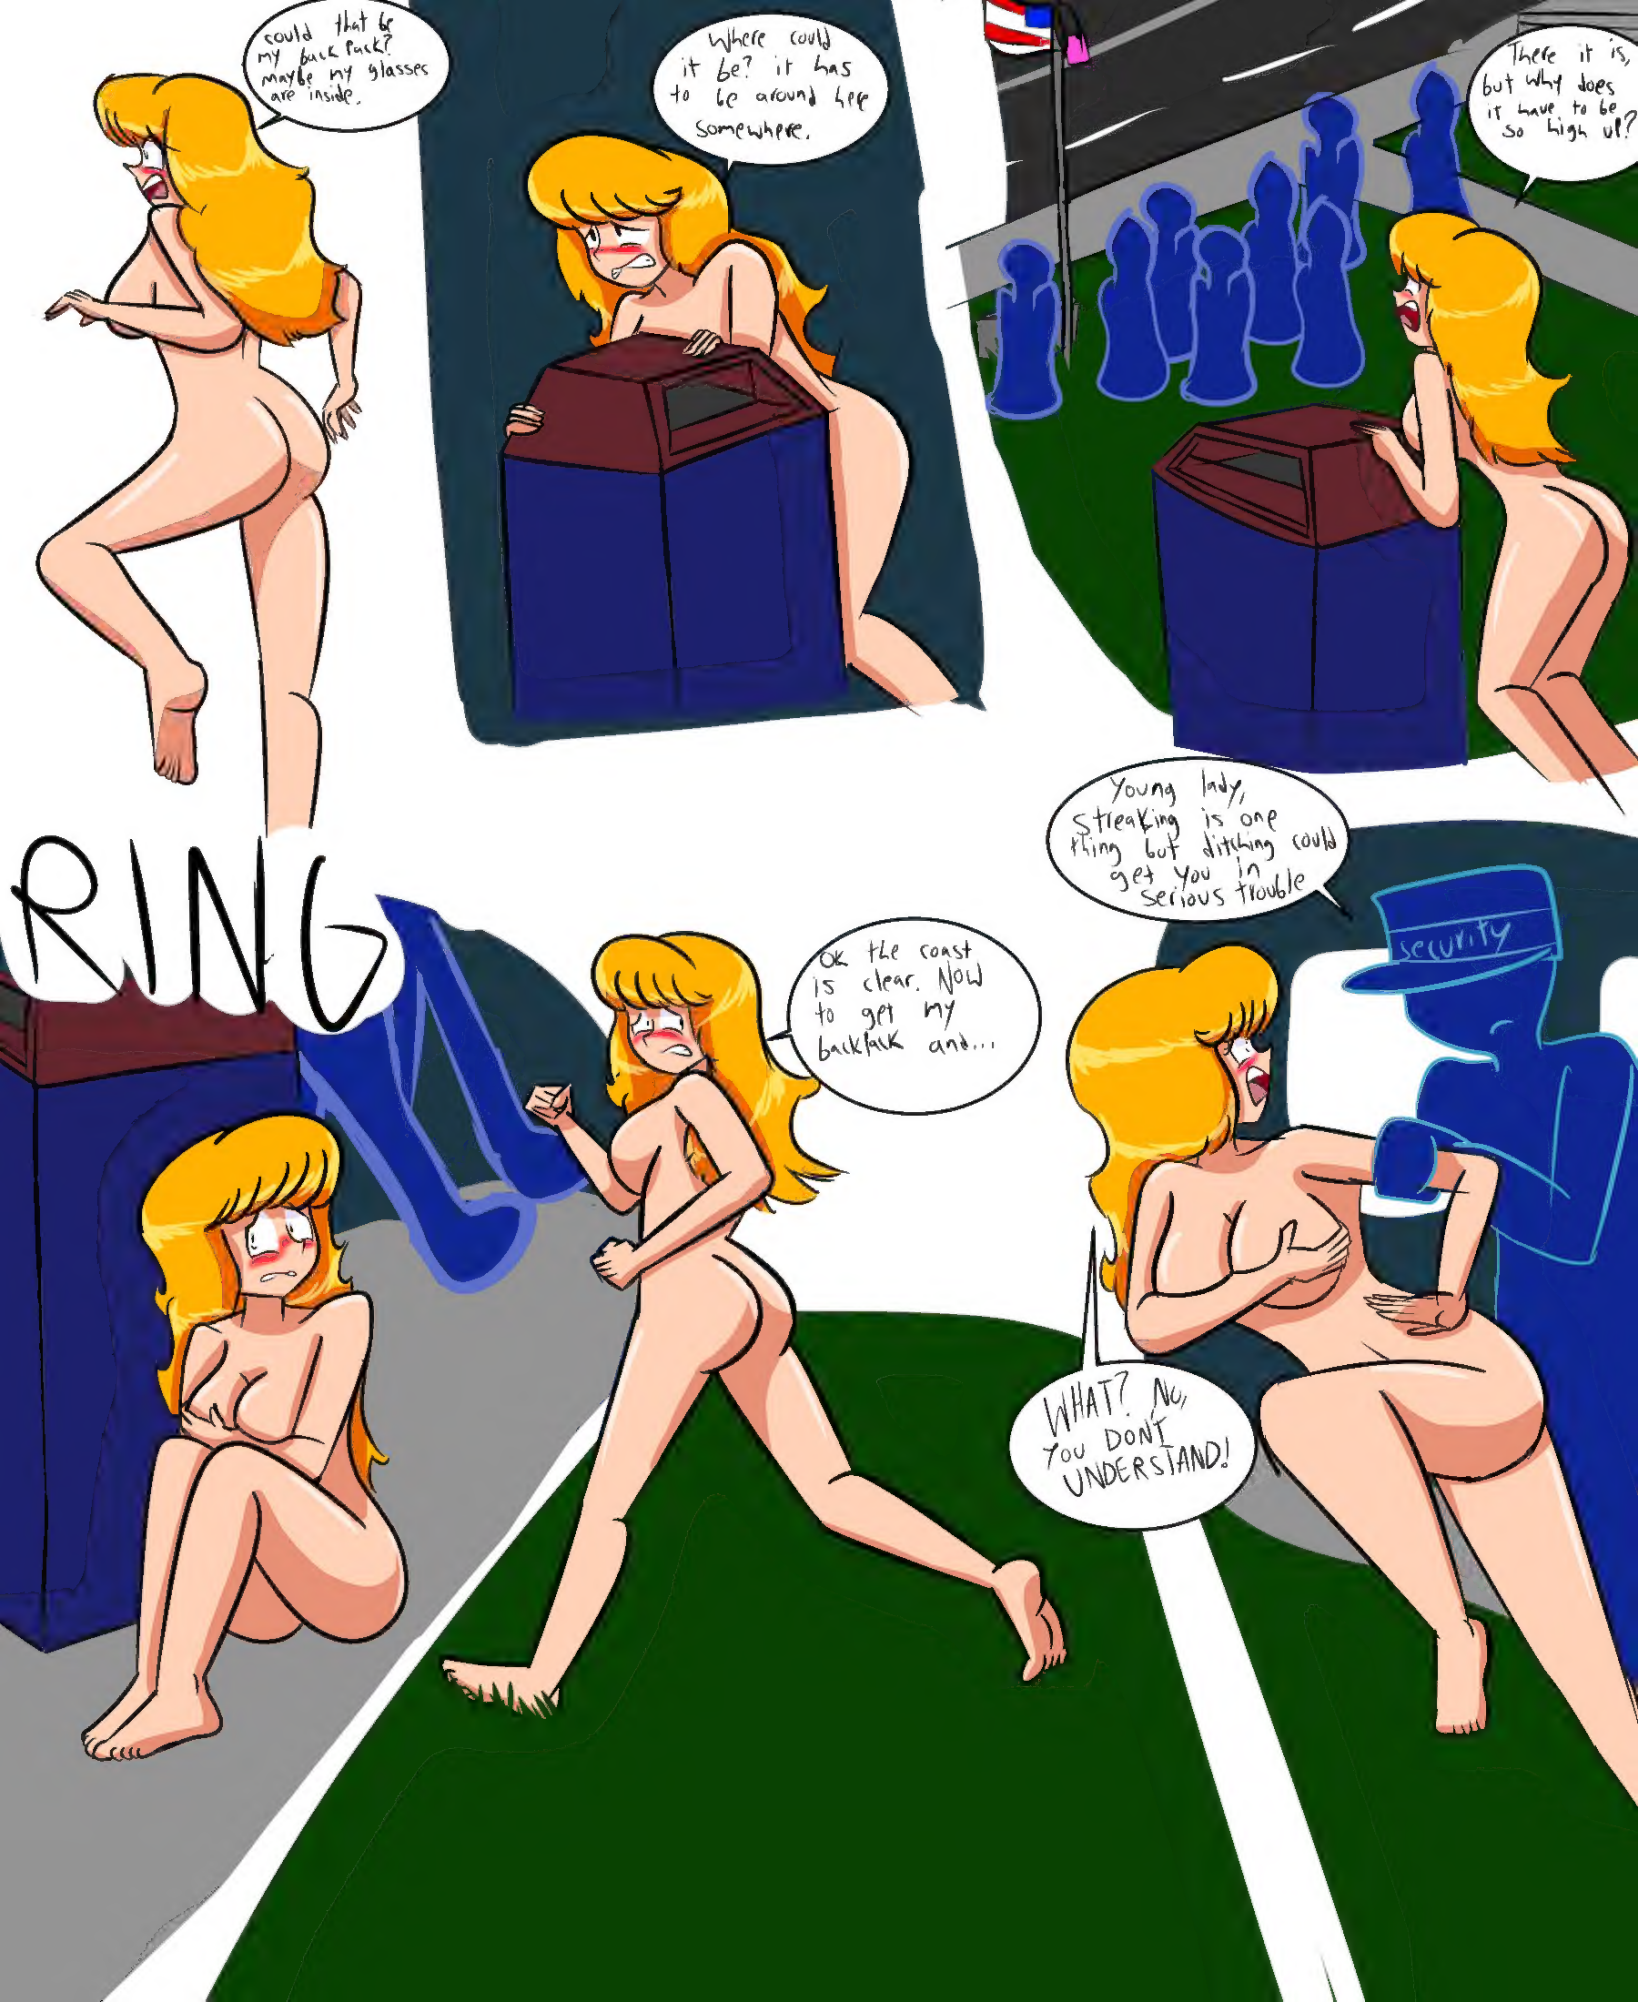
Mom is actually making me attend school naked. This has to be a nightmare.

can you come up and write on the board?
you want me infront of the class?
NOW
okay
I actually stood infront of the class naked. How much more of this do I have to endure?

Does PE really have to be outside?
Maybe I can out sprint everyone. Yeah they can't see much from here.
The one time I can be naked and not embarrassed.
Where's my stuff? Oh god How am I supposed to do my test without my glasses? Mom is going to extend my punishment.
I don't know where I'm even going. I gotta find my glasses before my test starts.
Is this room 157?
Other side of campus.



Young lady, do you realize how late you are? That's a detention.
What? But... But...
Enough! Now take your seat.
- Giggle it's so big
- Her boobs look so soft
I wish she moved her hands I still haven't seen a titty
I hate she never gets dressed
Six more hours of this, Molly, six more hours and you're home free.
Class was brutal. I can use this time to find my glasses.
Whose pink back pack is that?
HUH!?
I should hide myself more in between classes at least.
WHERE ARE MY GLASSES? WHERE ARE THEY?
LOST N FOUN



could that be my back pack? maybe my glasses are inside.
where could it be? it has to be around here somewhere.
There it is, but why does it have to be so high up?
RING
Young lady, Streaking is one thing but ditching could get you in serious trouble
security
Ok the coast is clear. NOW to get my backpack and...

Young lady, do you have any idea how much trouble you're in? Take your seat and we'll discuss this after class.

Why should you go?
Well since I'm not wearing pants I might leave a leaky mess and...
